

## Welcome to CPU Schools!

The Center Point-Urbana is a merged community school district serving approximately 1,400 students in a 90-square mile area approximately 12 miles north of the Cedar Rapids-Marion metro area (120,000 population) and approximately 35 miles south of the Waterloo-Cedar Falls metro area (125,000 population).

The district is comprised of two incorporated towns: Center Point, with a population of approximately 2,400, and Urbana, with approximately 1,400 residents. Many residents within the district reside on acreages, farms, or rural residences.

When the current high school opened in the fall of 2011, the District transitioned into four buildings and restructured grade levels:

- CPU Primary School (Grades PK-2nd) in Center Point
- CPU Intermediate School (Grades 3rd -5th ) in Urbana
- CPU Middle School (Grade 6th-8th ) in Center Point
- CPU High School (Grades 9th-12th ) in Center Point

While CPU CSD is located just 20 minutes north from downtown Cedar Rapids, the area has retained all of the benefits of small-town life.

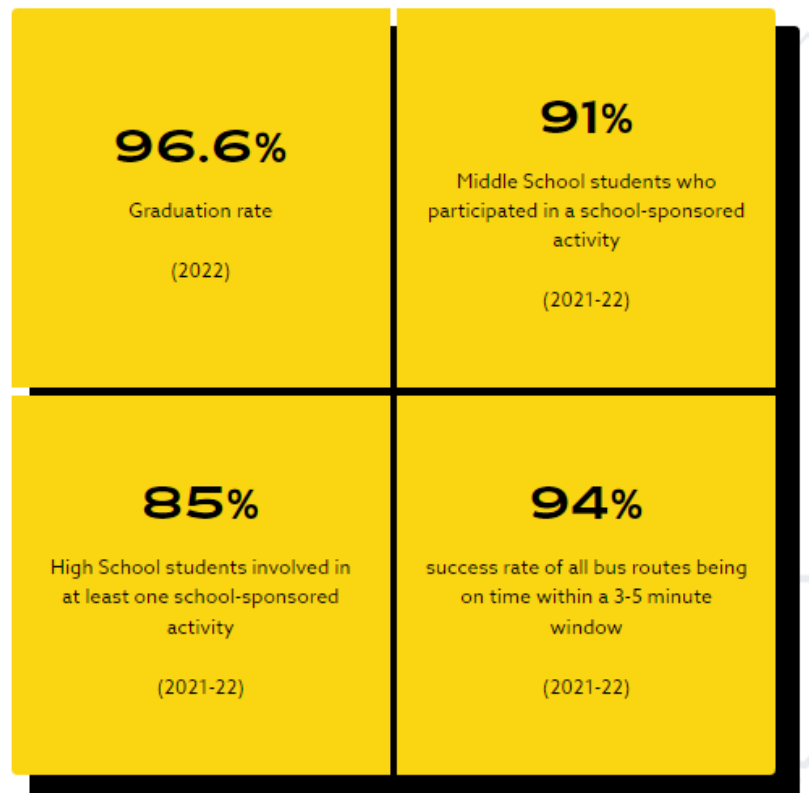

The school district offers abundant opportunities in terms of both curricular and extra-curricular activities while maintaining manageably sized schools and classes.

### Mission Statement

The mission of the Center Point-Urbana Community School District is to develop successful, life-long learners by providing a safe and caring environment, a stimulating curriculum, and a dedicated staff working with supportive parents in a small, friendly, small-town atmosphere.

### Vision

The Center Point-Urbana CSD will become a Destination District by engaging in our core values that focus on a Healthy Culture, being a Professional Learning Community, and System alignment.
