District Office

May 24, 2023

Dear CPU Parents and Families:

I hope you are doing well and that your children are enjoying the last week of school so far. I wanted to take a moment to update you on some important changes that are underway at our District Office in the Center Point-Urbana Community School District.

Upon being named superintendent, I took some time to speak one-on-one with parents, staff, and community members to gain an in-depth perspective on our district. Additionally, the March 2023 Stakeholder Survey indicated that community members value accessibility and approachability in their next superintendent.

With this in mind, we have decided to move the District Office back to its original location in Center Point in the High School. My hope is that this will increase access to our administrative team and provide a more centralized location for district operations. We also believe it will lead to improved communication throughout the district.

This move reflects our commitment to ensuring district leadership remains approachable, connected, and responsive to the needs of our students, parents, and staff.

I am excited to embark on this journey with you and look forward to serving the Center Point-Urbana community in a capacity that upholds the values and meets the aspirations of our learning community. Thank you so much for your support.

Regards,

John W. Elkin  
Incoming Superintendent
