

CPU Robotics - Parent/Informational Meeting

What: CPU Robotics Informational Meeting

Who: New Students (7-12 grade) and parents interested in joining CPU Robotics

When: Thursday September 7, 2023 @ 7:00 PM

Where: CPU Middle School (SW entrance)

Why: Learn about the CPU Robotics Program and Register for the 2023/2024 season

Join prior to the September 9th season kickoff
and attend the game reveal!

Additional Information

CPU Robotics has two FTC teams:

6189 High Voltage
13415 Electric Storm

What is FIRST Tech Challenge?

It's way more than building robots. *FIRST* Tech Challenge teams (up to 15 team members, grades 7-12) are challenged to design, build, program, and operate robots to compete in a head-to-head challenge in an alliance format.

Who can join FTC?

FTC is open to 7-12th Graders and **all skill levels are welcomed and needed, technical or non-technical.**

Tasks include: hardware design/build, software design/coding, documentation, fundraising, social media, outreach

Impact

The positive impact on *FIRST* Tech Challenge participants is gratifying and well documented. Over 86% have more interest in doing well in school and 87% are more interested in attending college.

When do we meet?

During the school year, CPU Robotics meets 2 mornings a week before school (days of week are adjusted based on other activities students may be involved in) and Sunday evening.

CPU Robotics meets periodically through the summer to support the CPU Robotics Summer Camp and other outreach activities.

How do you join?

Attend the new student/parent meeting September 7 or

Send contact information (name and email) to: cpuschoolsrobotics@gmail.com
