Vinton Parks & Recreation Department offers the American Red Cross Learn to Swim Program which means that we MUST follow the guidelines set by them. Any changes in the schedule of lessons due to weather is strictly at the discretion of the Parks & Recreation Department.

We are asking for parent volunteers to accompany the children on each bus. There will be one bus for each session. A parent is needed for each session. If you are not able to attend a full session, please buddy with other parents to cover the 10 lessons of the first session and second session(s). We want to emphasize – if a child is not willing to behave on the bus, we are not obligated to transport that child. The transportation fee for those parents who agree to chaperone will be reduced according to the number of days they are able to accompany the children.

Please contact Stacy Conway at 319.849.1102 ext 91020 if you would be able to accompany the swimmers to their lessons or send a note with your completed form indicating the date(s) you will be available.
