Feedback / Likes	Questions	Recommendations
Majority had no suggestions of changes/revisions	In reference to hand sanitizer on the school busses	Review procedure
New CDC recommendations	In reference to cleaning/sanitizing and teacher expectations	Review cleaning/sanitizing protocols

Parental Engagement		
Feedback / Likes	Questions	Recommendations
Like the variety of ways information is available (email, website, social media, teacher newsletter)	Could curriculum be posted on websites for those to access that wanted to?	Would like to have teacher emails come from teacher email accounts vs parent portal (difficult to access and read).
Current knowledge/level of information being provided		Teacher newsletters to be more personalized
Sustain principal/superintendent information coming out
