Dear CPU Families,

I hope this message finds you well. To ensure efficient communication, I'll keep this brief and include relevant links for further details if you're interested.

First, please take a moment to review our district's Annual Notices at: <https://cpuschools.org/district/annual-notices/>. As required by Iowa law, all school districts must notify parents annually of certain policies and notices.

Second, last night the School Board approved a bond measure for the November 5 ballot. The Official Press Release is [HERE](#).

Finally, I want to clarify our district's approach to addressing concerns and share the attached **2024-2025 CPU CSD Organizational Chart and Complaint/Concern Guide**. In CPU, we follow this structured chain of leadership to ensure issues are addressed promptly and effectively. This means that concerns or complaints need to be addressed first with the person closest to the issue. This ensures our established process is followed with fidelity and provides those directly involved the opportunity to resolve or explain the situation at their level. Additional information is found [HERE](#).

Thank you for your support of our students, staff, and schools.

Regards,  
John W. Elkin, Superintendent
