Good morning CPU Staff, Families, and Community Members.

As your superintendent, one of my key responsibilities is to ensure that our district serves as a valuable resource for all of you, not just in the education of our students, but also in providing important information that supports families and strengthens our community. This includes sharing timely and relevant resources such as information about voting and civic engagement along with updates on educational initiatives, safety, and district-wide events.

On November 5th, the Presidential Election will take place, and also on the ballot is our district's \$20.6 million bond referendum. I want to ensure you have all the necessary information regarding the bond and how to participate in the voting process.

Below, you'll find important details about the bond and voting:

Regards,  
John W. Elkin  
Superintendent
