Dear CPU Families and Staff:

I am writing to inform you about a minor accident involving one of our school buses that occurred earlier this morning just south of Urbana.

The accident involved two cars driven by CPU students. One car struck another, which then made contact with the school bus. Thankfully, no one in the vehicles or on the bus was injured.

After the incident, all students are being safely transported to school. We are in the process of contacting the parents and guardians of all students directly involved. We are grateful for the quick response from everyone who assisted and are relieved that all involved are safe.

If you have any questions or concerns, please do not hesitate to contact your building principal. Thank you for your attention to this update.

Sincerely,

John W. Elkin
Superintendent
